

The trademark is an important **intellectual property (IP)** for your business in the competitive APAC market. **Early registration** can protect your business from piracy and secure legal rights for future action, but the process may take **up to two years**.

1 HOW TO REGISTER A TRADEMARK IN VIETNAM?

Applying to the **National Office of Intellectual Property (NOIP)** for the exclusive right.

Individuals, businesses & organizations are eligible for trademark registration.

2 TRADEMARK APPLICATION PROCESSING TIMELINE

Once the application is submitted to the NOIP, the process includes:

Form examination
1 month

Application publication
2 months*
* from the date the application has a Decision on acceptance of a valid application.

Content examination
≤ 9 months
from the date of application publication.

The time for trademark registration **might be extended to 18 – 24 months** due to:

The number of applications registered at the NOIP is increasing.

Errors in documents and dossiers.

3 VALIDITY OF TRADEMARK CERTIFICATE IN VIETNAM

- 10 years from the date of issuance
- Could **be renewed** every 10 years.
